

Dear Member,

You must sign and return this letter as acknowledgement stating that it is your responsibility to change your Direct Deposit that should occur for loan payments, Savings, Checking and Christmas Club accounts through the Insite provided by your employer. If you elect to use Direct Deposit, it will be necessary to contact Equitable Federal Credit Union of any changes that are to occur so that we can make the appropriate changes once the member completes this on the Insite. Please be sure to include all deductions that are to be credited to your account. We also offer ACH for your convenience. This is an easy way to pay loan payments and not worry about payments being late.

FOR DIRECT DEPOSIT CHANGES PLEASE COMPLETE WITH INSITE CHANGE AND CALL US UPON COMPLETION
